“We are excited to assist the Broken Arrow Young Professionals with this event. One of the most important issues for the Young Professional group is civic engagement. They want to inform, educate, and involve young professionals in current issues to help them understand that they have a voice in helping shape our community. They want to help bring these opportunities to light so that they feel educated when making decisions that have a lasting impact.” said Jennifer Conway, President & CEO of the Broken Arrow Chamber and Economic Development Corporation. “It is imperative we support our community’s young professionals as they are a pivotal part of our future.” concluded, Conway.
