BROKEN ARROW, OK – JUNE 10, 2024 – CREOKS Health Services is set to break ground on a new state of the art mental health facility at 2500 E. Hillside Dr. This innovative center will house a Crisis Stabilization Clinic for both children and adults, as well as provide comprehensive outpatient therapy and group therapy services. The project represents a significant capital investment of \$4.5 million and is poised to become a cornerstone of mental health services in the community.

The Broken Arrow Clinic will employ 130 professionals dedicated to delivering high-quality mental health care. This number is expected to grow as the facility expands its services and reaches more individuals in need. The clinic will offer a range of programs designed to address various mental health challenges, a family medical practice, and a full service pharmacy ensuring accessible and effective treatment options for residents of Broken Arrow and the surrounding areas.

“We are thankful CREOKS Health Services chose Broken Arrow to build such a vital need for those in our community and surrounding areas.” Says Amber Miller, Vice President of Economic Development for the Broken Arrow Economic Development Corporation. “An investment of this size will not only help grow the healthcare workforce in Broken Arrow but will provide quality services and resources to promote the overall well-being of our residents.” Continued Miller.

Construction of the new facility is slated to begin this summer, with an expected completion date in 10-12 months. CREOKS Health Services looks forward to creating a welcoming and therapeutic environment, with spaces specifically tailored to meet the needs of both children and adults. By providing comprehensive care under one roof, they aim to enhance the quality of life for those they serve and to build a stronger, healthier community.
